Spanish, combining
traditional and function-
based grammar in a
single volume. The

Where To Download

Grammar is divided into two parts. The shorter section covers traditional grammatical categories such as word order, nouns, verbs and adjectives. The larger section is carefully organized around language functions and notions such as: giving and seeking information putting actions into context * expressing

likes, dislikes and preferences comparing objects and actions. All grammar points and functions are richly illustrated and information is provided on register and relevant cultural background. Written by experienced teachers and academics, the Grammar has a strong emphasis on contemporary usage.

Where To Download

Particular attention is paid to indexing and cross-referencing across the two sections. This is the ideal reference grammar for learners of Spanish at all levels, from elementary to advanced. It will prove invaluable to those with little experience of formal grammar, as no prior knowledge of grammatical
