It is about what happens next. In simple, straightforward terms, Beattie takes you into the territory beyond codependency, into the realm of recovery and relapse, family-of-origin work and relationships, surrender and spirituality. With personal stories, hard-won insights, and activities, her book teaches the lessons of dealing with shame, growing in self-esteem, overcoming deprivation, and getting past fatal attractions long enough to find relationships that work.

Once Melody Beattie's Codependent No More has been "digested", Beyond Codependency helps to move the recovering codependent past the hurt and on to the business of literally changing behaviors and making a better life. I absolutely recommend this book above any others to recovering codependents.
