Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

"This majestic, moving novel is an instant classic, a book that will be read, discussed and taught beyond the rest of our lives."—Chicago Tribune Winner of the National Book Critics Circle Award, *A Lesson Before Dying* is a deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. From the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*.

Celebrate the thirtieth anniversary of the Newbery Honor-winning survival novel *Hatchet* with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. *Hatchet* has also been nominated as one of America's best-loved novels by PBS's *The Great American Read*. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.
