He explores that question in his new book, **Detroit: An American Autopsy**, which, he says, "is dedicated to those of us who live here in the industrial Midwest, specifically Detroit and its...

An 'Autopsy' Of Detroit Finds Resilience In A Struggling City

"In **Detroit: An American Autopsy**, Charlie LeDuff brings alive the reality of our beloved city. The city where I was shot at eight times during my twenty six year police career. Yet, Detroit has survived in spite of corruption, political ineptness, poor education, and decades of unemployment.

**Detroit: An American Autopsy: LeDuff, Charlie ...**

**Detroit** can no longer be ignored because what happened there is happening out here. Redemption is thin on the ground in this ghost of a city, but **Detroit: An American Autopsy** is no hopeless parable. Instead, LeDuff shares a deeply human drama of colossal greed, ignorance, endurance, and courage.

**Detroit - Book summary and reviews of Detroit** by Charlie ...

This is a review for the audiobook version of **'Detroit: An American Autopsy\_** by Charlie LeDuff. It ' s a long review, so the short summary is that it was painful and tragic, but I ' m glad listened to it, and I give it five stars.

**Detroit Quotes** by Charlie LeDuff - Goodreads

"In **Detroit: An American Autopsy**, Charlie LeDuff brings alive the reality of our beloved city. The city where I was shot at eight times during my twenty six year police career. Yet, Detroit has survived in spite of corruption, political ineptness, poor education, and decades of unemployment.

**Detroit: An American Autopsy - Goodreads**

An exposé of bureaucratic corruption and systemic arson in Detroit traces the author's work with a local fire brigade and his investigations into the daily lives of politicians, police officials, and others who are working to save the troubled city.

**A New York Times bestseller!** An explosive expose of Detroit, icon of America s lost prosperity, from Pulitzer Prize-winning journalist Charlie LeDuff."

A daring, firsthand, and utterly unscripted account of crisis in America, from Ferguson to Flint to Cliven Bundy's ranch to Donald Trump's unstoppable campaign for President—at every turn, Pulitzer-prize winner and bestselling author of **Detroit: An American Autopsy**, Charlie LeDuff was there In the Fall of 2013, long before any sane person had seriously considered the possibility of a Trump presidency, Charlie LeDuff sat in the office of then-Fox News CEO Roger Ailes, and made a simple but prophetic claim: The whole country is bankrupt and on high boil. It's a shitshow out there. No one in the bubbles of Washington, DC, New York, or Los Angeles was talking about it—least of all the media. LeDuff wanted to go to the heart of the country to report what was really going on. Ailes balked. Could the hard-living and straight-shooting LeDuff be controlled? But, then, perhaps on a whim, he agreed. And so LeDuff set out to record a TV series called, "The Americans," and, along the way, ended up bearing witness to the ever-quickening unraveling of The American Dream. For three years, LeDuff travelled the width and breadth of the country with his team of production irregulars, ending up on the Mexican border crossing the Rio Grande on a yellow rubber kayak alongside undocumented immigrants, in the middle of Ferguson as the city burned, and watching the children of Flint get sick from undrinkable water. Racial, political, social, and economic tensions were escalating by the day. The inexorable effects of technological change and globalization were being felt more and more acutely, at the same time as wages stagnated and the price of housing, education, and healthcare went through the roof. The American people felt defeated and abandoned by their politicians, and those politicians seemed incapable of rising to the occasion. The old way of life was slipping away, replaced only by social media, part-time work, and opioid addiction. Sh\*tshow! is that true, tragic, and distinctively American story, told from the parts of the country hurting the most. A soul-baring, irreverent, and iconoclastic writer, LeDuff speaks the language of everyday Americans, and is unafraid of getting his hands dirty. He scrambles the tired-old political, social, and racial categories, taking no sides—or prisoners. Old-school, gonzo-style reporting, this is both a necessary confrontation with the darkest parts of the American psyche and a desperately-needed reminder of the country's best instincts.

From the New York Times bestselling author of **Detroit: An American Autopsy** "Except for a few drinks, nothing is free in Charlie LeDuff's blunt and touching **Work and Other Sins**. The laughter and wisdom are hard won, the lessons are often painful...the sad tales and wit from the bar rail are endless and timeless." --The New York Times **Book Review** Charlie LeDuff is that rare breed of news reporter—one who can cover hard-to-get-at stories in a unique and deeply personal style. In **Work and Other Sins**, he gives his incomparable take on New York City and its denizens—the bars, the workingmen, the gamblers, the eccentrics, the lonesome, and the wise. Whether writing about a racetrack gambler, a firefighter with a broken heart, or a pair of bickering brothers and their Coney Island bar, LeDuff takes the reader into the lives of his subjects to explore their fears, faults, and fantasies as well as their own small niches of the globe. The result is an at turns riotous, dirt-under-the-nails, contemplative, salty, joyous, whiskey-tinged, and utterly unique vision of life in the Big Apple.

A Pulitzer Prize-winning New York Times reporter traces his cross-country investigation of the character and quality of the American man, a journey during which he participated in a Bacchanalian Burning Man festival, led a cavalry charge down the Little Bighorn River, infiltrated a fighting biker gang, and more. **Reprint.**

" Engaging " stories of what the Motor City was like before the invention of the motor, with photos and illustrations (**Detroit Metro-Times**). Long before it became the twentieth-century automotive capital, Detroit was a muddy port town full of grog shops, horse races, haphazard cemeteries, and enterprising bootstrappers from all over the world. In this lively book you ' ll discover the city ' s forgotten history and meet a variety of unforgettable characters—the argumentative French fugitive who founded the city; the tobacco magnate who haunts his shuttered factory; the gambler prankster millionaire who built a monument to himself; the governor who brought his scholarly library with him on canoe expeditions; and the historians who helped create the story of Detroit as we know it: one of the oldest, rowdiest, and most enigmatic cities in the Midwest.

"As David Maraniss captures it with power and affection, Detroit summed up America's path to music and prosperity that was already past history. It's 1963 and Detroit is on top of the world. The city's leaders are among the most visionary in America. It was the American auto makers' best year; the revolution in music and politics was underway. Reuther's UAW had helped lift the middle class. The time was full of promise. Once in a Great City shows that the shadows of collapse were evident even then. Detroit at its peak was threatened by its own design. It was being abandoned by the new world. Yet so much of what Detroit gave America lasts."--

What happens when an iconic American city goes broke? At exactly 4:06 p.m. on July 18, 2013, the city of Detroit filed for bankruptcy. It was the largest municipal bankruptcy in American history—the Motor City had finally hit rock bottom. But what led to that fateful day, and how did the city survive the perilous months that followed? In **Detroit Resurrected**, Nathan Bomey delivers the inside story of the fight to save Detroit against impossible odds. Bomey, who covered the bankruptcy for the **Detroit Free Press**, provides a gripping account of the tremendous clash between lawyers, judges, bankers, union leaders, politicians, philanthropists, and the people of Detroit themselves. The battle to rescue this iconic city pulled together those who believed in its future—despite their differences. Help came in the form of Republican governor Rick Snyder, a technocrat who famously called himself " one tough nerd " , emergency manager Kevyn Orr, a sharp-shooting lawyer and " yellow-dog Democrat " ; and judges Steven Rhodes and Gerald Rosen, the key architects of the grand bargain that would give the city a second chance at life. Detroit had a long way to go. Facing a legacy of broken promises, the city had to seek unprecedented sacrifices from retirees and union leaders, who fought for their pensions and benefits. It had to confront the consequences of years of municipal corruption while warding off Wall Street bond insurers who demanded their money back. And it had to consider liquidating the Detroit Institute of Arts, whose world-class collection became an object of desire for the city ' s numerous creditors. In a tight, suspenseful narrative, **Detroit Resurrected** reveals the tricky path to rescuing the city from \$18 billion in debt and giving new hope to its citizens. Based on hundreds of exclusive interviews, insider sources, and thousands of records, **Detroit Resurrected** gives a sweeping account of financial ruin, backroom intrigue, and political rebirth in the struggle to reinvent one of America ' s iconic cities.

A daring, firsthand, and utterly unscripted account of crisis in America, from Ferguson to Flint to Cliven Bundy's ranch to Donald Trump's unstoppable campaign for President—at every turn, Pulitzer-prize winner and bestselling author of **Detroit: An American Autopsy**, Charlie LeDuff was there In the Fall of 2013, long before any sane person had seriously considered the possibility of a Trump presidency, Charlie LeDuff sat in the office of then-Fox News CEO Roger Ailes, and made a simple but prophetic claim: The whole country is bankrupt and on high boil. It's a shitshow out there. No one in the bubbles of Washington, DC, New York, or Los Angeles was talking about it—least of all the media. LeDuff wanted to go to the heart of the country to report what was really going on. Ailes balked. Could the hard-living and straight-shooting LeDuff be controlled? But, then, perhaps on a whim, he agreed. And so LeDuff set out to record a TV series called, "The Americans," and, along the way, ended up bearing witness to the ever-quickening unraveling of The American Dream. For three years, LeDuff travelled the width and breadth of the country with his team of production irregulars, ending up on the Mexican border crossing the Rio Grande on a yellow rubber kayak alongside undocumented immigrants, in the middle of Ferguson as the city burned, and watching the children of Flint get sick from undrinkable water. Racial, political, social, and economic tensions were escalating by the day. The inexorable effects of technological change and globalization were being felt more and more acutely, at the same time as wages stagnated and the price of housing, education, and healthcare went through the roof. The American people felt defeated and abandoned by their politicians, and those politicians seemed incapable of rising to the occasion. The old way of life was slipping away, replaced only by social media, part-time work, and opioid addiction. Sh\*tshow! is that true, tragic, and distinctively American story, told from the parts of the country hurting the most. A soul-baring, irreverent, and iconoclastic writer, LeDuff speaks the language of everyday Americans, and is unafraid of getting his hands dirty. He scrambles the tired-old political, social, and racial categories, taking no sides—or prisoners. Old-school, gonzo-style reporting, this is both a necessary confrontation with the darkest parts of the American psyche and a desperately-needed reminder of the country's best instincts.

Presents the city of Detroit in the 1980s, describing its racial, religious, and economic problems through the experiences of black intellectuals, police officers, Muslim and Christian clerics, middle-class suburban whites, and Mayor Coleman Young.
