The "Dirty Everyday Slang" books are small enough to make great stocking-stuffers or even serve as a gag-gift for your white elephant party. Personally, I don't support excessive censorship of children, but if you do – this is really not something you want to place on the shelf next to Dr. Seuss.

Can I get a blowey? Lecidazol? I'd love to hit that. Szeretném megdöngölni.

No body speaks in strictly formal address anymore. Especially the Greeks, where the common expressions tossed around in their party-friendly cities are far from text book Ancient Greek. This all-new, totally-up-to-date book fills the gap between how people really talk in Greece and what language students are taught.

GET D!RTY! Next time you're in Italy or just chattin' in Italian with your friends, drop the textbook formality and bust out with expressions they never teach you in school, including: • Cool slang • Funny insults • Explicit sex terms • Raw swear words Dirty Italian teaches the casual expressions heard every day on the streets of Italy: What's up? Che c'è? She's got killer legs. Le ha le gambe da morire. Get the fuck outta here! Sparisci! I'm so plastered. Sono demolito. I gotta piss. Devo pisciare. Your team sucks! La vostra squadra fa schifo! Wanna have a quickie? Facciamo una sveltina?

What is it to be Hungarian? What does it feel like? Most Hungarians are convinced that the rest of the world just doesn't get them. They are right. True, much of the world thinks highly of Hungarians--for reasons ranging from their heroism in the 1956 revolution to their genius as mathematicians, physicists, and financiers. But Hungarians do often seem to be living proof of the old joke that Magyars are in fact Martians: they may be situated in the very heart of Europe, but they are equipped with a confounding language, extraterrestrial (albeit endearing) accents, and an unearthly way of thinking. What most Hungarians learn from life about the Magyar mind is now available, for the first time, in this user-friendly guide to what being Hungarian is all about. The Essential Guide to Being Hungarian brings together twelve authors well-versed in the quintessential ingredients of being Hungarian--from the stereotypical Magyar man to the stereotypical Magyar woman, foods to folk customs, livestock to literature, film to philosophy, politics to porcelain, and scientists to sports. In fifty short, highly readable, often witty, sometimes politically incorrect, but always candid articles, the authors demonstrate that being credibly Hungarian--like being French, Polish or Japanese--is largely a matter of carrying around in your head a potpourri of conceptions and preconceptions acquired over the years from your elders, society, school, the streets, and mass media. Compacting this wealth of knowledge into an irresistible little book, The Essential Guide to Being Hungarian is an indispensable reference that will teach you how to be Hungarian, even if you already are.

This essential phrasebook collects the most colorful, explicit, and outrageous ways to tell people off in every part of the world. Featuring dozens of different languages, the sayings range from everyday swears to family curses to expressions for X-rated relations with animals. Phonetic pronunciation is provided so that readers can curse like a native, and handy illustrations provide visual guides to these foreign exclamations. Perfect for the international traveler who may need to wish an enemy a painful death, insult a person's grandmother, or accuse someone's mother of having intimate relations with bears in the forest.

Do you want to learn Hungarian the fast, fun and easy way? And do you want to master daily conversations and speak like a native? Then this is the book for you. Learn Hungarian: Must-Know Hungarian Slang Words & Phrases by HungarianPod101 is designed for Beginner-level learners. You learn the top 100 must-know slang words and phrases that are used in everyday speech. All were hand-picked by our team of Hungarian teachers and experts. Here's how the lessons work: • Every Lesson is Based on a Theme • You Learn Slang Words or Phrases Related to That Theme • Check the Translation & Explanation on How to Use Each One And by the end, you will have mastered 100+ Hungarian Slang Words & phrases!
