Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Esperanza thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and settle in a Mexican farm labor camp. Esperanza isn't ready for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances—because Mama's life, and her own, depend on it.

Mama ' s love is brighter than the sun, even on the rainiest of days. This celebration of a mother-daughter relationship is perfect for sharing with little ones! On a rainy day when the house smells like cinnamon and Papa and Luca are still asleep, when the clouds are wearing shadows and the wind paints the window with beads of water, I want to be everywhere Mama is. With lyrical prose and a tender touch, Mama and Me is an ode to the strength of the bond between a mother and a daughter as they spend a rainy day together.

A sleepy polar bear cub asks its mother questions about the night sky as he gets ready to go to sleep.

It's simple: If children don't understand what they read, they will never embrace reading. And that limits what they can learn while in school. This fact frightens parents, worries teachers, and ultimately hurts children. 7 Keys to Comprehension is the result of cutting-edge research. It gives parents and teachers—those who aren't already using this valuable program—practical, thoughtful advice about the seven simple thinking strategies that proficient readers use:

- Connecting reading to their background knowledge
- Creating sensory images
- Asking questions
- Drawing inferences
- Determining what's important
- Synthesizing ideas
- Solving problems Easily understood, easily applied, and proven successful, this essential educational
