Sorting through the maze of financial aid, college saving plans, educational tax credits and student loan options can be a daunting task for families making their college decision. This easy to read book gives families a comprehensive roadmap for making the best college financial decision. Readers will enjoy the insider notes throughout the book that give informative tips on the entire college funding process.Financial Aid and Beyond includes:* Insights into how colleges develop their financial aid award letters* Understand why a four-year college cash flow analysis makes comparing college value critical* Easy to understand roadmap from saving for college to student loan forgiveness and everything in between* Strategies on how to focus on the financial outcome of a college education* Introduction of a new concept called the Admission and Financial Aid MatrixGet practical guidance and understand the secrets to college affordability. Become an informed consumer and avoid costly mistakes. Parents and students will appreciate the proven strategies for saving and paying college tuition, along with insights on student loans and repayment options.

According to the most recent report done by The College Board Annual Survey of Colleges, the average rate of tuition at four-year public universities is \$19,548, and even more shocking, the average four-year tuition rate for private colleges is \$43,921. Tuition costs, of course, are just the beginning. However, there is good news: There is more financial aid available than ever before, and despite all of these college cost increases, a college education remains an affordable choice for most families. Armed with the information detailed in this comprehensive and updated edition of How to Go to College on a Shoe String, you will be privy to the more than 2,200 programs that offer scholarships, internships, or loans to more than 1.7 million students each year. In addition to scholarships and grants, you will learn hundreds of innovative ways to slash your college cost, such as calculating and reducing your college budget, buying your text books and supplies cheaply, earning college credit on an accelerated basis, combining higher education and course-related employment, performing national and community service, and making use of tuition prepayment plans, federal funds, state aid, and private sector aid. If you want to learn hundreds of innovative ways to save thousands on your college costs, then this book is for you.

College financial aid is not like negotiating with a car dealership, where bluff and bluster will get you a bigger, better deal. Appealing for more financial aid depends on presenting the college financial aid office with adequate documentation of special circumstances that affect the family's ability to pay for college.This book provides a guide for students and their families on how to appeal for more financial aid for college and how to improve the likelihood of a successful appeal. This book also discusses techniques for increasing eligibility for need-based financial aid and merit aid.The topics covered by this book include corrections, updates, special circumstances, writing an effective financial aid appeal letter, adequate documentation, professional judgment adjustments, unusual circumstances, dependency overrides and the differences between the FAFSA and CSS Profile forms.

How to successfully navigate each step of the financial aid process, including charts, smart tips, worksheets, and talking points to guide important conversations with their student. The book is written from the perspective of an insider passionate about opening educational opportunities for children, regardless of cost.

In How to Submit a Winning Scholarship Application: Secret Techniques I Used to Win \$100,000 in College Scholarships, Shay Spivey shares her proven tips and techniques for submitting a winning scholarship application package. Shay was awarded over \$100,000 in scholarships and free financial aid to return to college as an adult student. Scholarships paved the way for her to become the first person in her family to graduate from college. How to Submit a Winning Scholarship Application outlines the documents that scholarship applications typically ask for and how to submit multiple applications quickly and efficiently. The book lists winning tips and techniques that give applicants an advantage. As an added bonus, the author provides sample outlines, scholarships essays, letters and a list of 15 alternative ways to pay for college.

Figuring out how to pay for college can be daunting. Fortunately, Strategies for Maximizing Your College Financial Aid provides much-needed expert advice for understanding the financial aid process, managing student loans, and getting the most money for college. In this succinct guide, financial aid consultant Kal Chany and the experts at the Princeton Review present a concise but comprehensive overview of college financial aid. Inside, you'll find guidance to demystify the aid process, and information that will help you: · debunk financial aid myths · figure out financial aid terminology · evaluate financial aid packages and awards · understand grants, scholarships, student loans, work-study, and other forms of aid · fill out the FAFSA (Free Application for Federal Student Aid), CSS/PROFILE, and other financial aid forms · choose a college with financial aid in mind · get started on saving for school

If you're currently a college student, or plan on being one, you need to check out this book. Written by award-winning professors Lynn Jacobs and Jeremy Hyman, it's loaded with insider information that only professors know--but few are willing to reveal. The over 600 tips in this book will show you: How to pick good courses and avoid bad professors How to develop "college-level" skills and habits that'll put you ahead of the pack How to get through the freshman comp, math, language, and lab science requirements--in one try How to figure out what's going to be on the tests, and what professors are looking for in papers and presentations How to pick a major you'll really like--and be good at How to get the edge for graduate school--or the inside track to a really good job And much more. The tips are quick and easy-to-use, and the advice is friendly and supportive. It's as if you had your own personal professor guiding you on the path to college success.

“The College Solution helps readers look beyond over-hyped admission rankings to discover schools that offer a quality education at affordable prices. Taking the guesswork out of saving and finding money for college, this is a practical and insightful must-have guide for every parent!” —Jaye J. Fenderson, Seventeen’s College Columnist and Author, Seventeen’s Guide to Getting into College “This book is a must read in an era of rising tuition and falling admission rates. O’Shaughnessy offers good advice with blessed clarity and brevity.” —Jay Mathews, Washington Post Education Writer and Columnist “I would recommend any parent of a college-bound student read The College Solution.” —Kal Chany, Author, The Princeton Review’s Paying for College Without Going Broke “The College Solution goes beyond other guidebooks in providing an abundance of information about how to afford college, in addition to how to approach the selection process by putting the student first.” —Martha “Marty” O’Connell, Executive Director, Colleges That Change Lives “Lynn O’Shaughnessy always focuses on what’s in the consumer’s best interest, telling families how to save money and avoid making costly mistakes.” —Mark Kantrowitz, Publisher, FinAid.org and Author, FastWeb College Gold “An antidote to the hype and hysteria about getting in and paying for college! O’Shaughnessy has produced an excellent overview that demystifies the college planning process for students and families.” —Barmak Nassirian, American Association of Collegiate Registrars and Admissions Officers For millions of families, the college planning experience has become extremely stressful. And, unless your child is an elite student in the academic top 1%, most books on the subject won’t help you. Now, however, there’s a college guide for everyone. In The College Solution, top personal finance journalist Lynn O’Shaughnessy presents an easy-to-use roadmap to finding the right college program (not just the most hyped) and dramatically reducing the cost of college, too. Forget the rankings! Discover what really matters: the quality and value of the programs your child wants and deserves. O’Shaughnessy uncovers “industry secrets” on how colleges actually parcel out financial aid—and how even “average” students can maximize their share. Learn how to send your kids to expensive private schools for virtually the cost of an in-state public college...and how promising students can pay significantly less than the “sticker price” even at the best state universities. No other book offers this much practical guidance on choosing a college...and no other book will save you as much money! • Secrets your school’s guidance counselor doesn’t know yet The surprising ways colleges have changed how they do business • Get every dime of financial aid that’s out there for you Be a “fly on the wall” inside the college financial aid office • U.S. News & World Report: clueless about your child Beyond one-size-fits-all rankings: finding the right program for your teenager • The best bargains in higher education Overlooked academic choices that just might be perfect for you

The celebrated book that revolutionized the way Americans choose colleges-now fully revised and updated An invaluable guide with virtually no competition, this book helped to establish Loren Pope as one of the nation's most respected experts on the college application process. Now fully revised and updated, Looking Beyond the Ivy League offers a step-by-step guide to selecting the right institution, a checklist of specific questions to ask when visiting a college, the secrets to creating good applications and good applicants, and much more. With as few as one-third of college students remaining at the institution they entered as freshmen, finding the right college is harder than ever before. This book makes it easier for students and their parents.

Relief Is In Your Hands Student loan debt has become a burden of unprecedented proportions. Millions of Americans are losing sleep, highly stressed out over their investment they thought would better their lives and set them up financially making this debt easy to repay. But so many borrowers feel they have been duped because they have a bill every month the size of buying a fancy car with little to show for it. If you are one of the millions who silently suffers and feels pain at the mere mention of student loans this book is designed for you. Student Loan Debt Secrets will show you how: - All the unknown forces that created a student loan trap that is currently crippling our economy. -To navigate an intensely complicated system designed to keep you an indentured servant. -To get your student loan monthly payment as low as possible and get a ton of money in forgiveness. -To make a student loan financial plan that is bulletproof to scam artists, servicing companies, and political interests. -How to beat the student loan game and grow the wealth being siphoned from your pockets. This Book Is The Key To Your Freedom!
