Practice Test Questions for: Reading Comprehension Math Natural Science Spelling Non-verbal Vocabulary Biology Chemistry Study Smarter, Not Harder! Like any test, your degree of success on the PSB depends largely on knowing how to study for it. Now, I'm not talking about burning the candle at both ends. In fact, our goal is to have you studying less not more. Nor are we asking you to spend hundreds of dollars on study guides. Our material is available for a less than the cost of a good pair of running shoes ... more on that in a moment. Practice Makes Perfect Amy understood the same thing that many successful PSB takers understand. The more questions you see, the more likely you are to pass the test. And between our study guide and practice tests, you'll have over 400 practice questions that cover every category. You can fine-tune your knowledge in areas where you feel comfortable and be more efficient in improving your problem areas. Our test has been developed by our dedicated team of experts. All the material in the study guide, including every practice question, is designed to engage the critical thinking skills that are needed to pass the PSB Exam. They will not be the exact same questions you'll find on the exam, but they are similar. And like the PSB exam, the practice tests are weighted differently so you will be exposed to questions in all areas. Study When and Where You Want! The printed version of our PSB Study Guide comes with a FREE ebook version! You can practice your questions after working out at the gym, while you're waiting on a friend for lunch, or over your morning cup of coffee. Whenever you have those spare moments, you can consistently build your confidence. There's no need to deprive your body of the sleep and energy you'll need when the test day arrives. Why not do everything you can to get the best score on the PSB?"
