A memoir written from painful personal experiences and provides insights gained from a spiritual awakening. As a functional depressive, Dr. Andrea Pennington enjoyed a high powered media career with all the outer appearances of success. But she was miserable inside. For decades she hid her battle with depression from the world and struggled with anxiety and low self-worth. In her powerful TEDx in Monaco Dr. Andrea confessed that when she hit rock bottom, she cried out to God to take her life. A powerful spiritual awakening erased her depression and inspired her to research neuroscience, spiritual traditions from around the world, near death experiences and energy psychology. If you have ever suffered from
