For me, Invitation to the Game by Monica Hughes is a classic. I absolutely loved it the first time I read it several years ago, and this time I loved it as well. I actually reviewed this book on a past blog when I read it the first time. I was first introduced to Invitation to the Game by my librarian.

Forced into the barrio by her grandmother's death, Concepcion takes with her a legacy of chili, corn, and bean seeds and finds that they hold the key to her survival.

Right out of "Jurassic Park," Fighting Dinosaurs shows young readers how dinosaurs fared in combat with each other. The plant eaters, of course, had all kinds of armor—more than any medieval knight. There were spikes and horns and thick-plated skin. These ancient creatures needed such defenses, because the meat eaters were fast and strong and often had terrifying teeth! Young readers will be fascinated by scenes of predators hunting in packs and the amazing ways that nature helped the plant eaters protect themselves. Developed by literacy experts, Fighting Dinosaurs features controlled text with appropriate vocabulary, grammar, and sentence structure for emergent readers.
