Let's move on to the logic books

Online Library Logic Primer By Allen 2nd Edition

You've chosen. The first one is called Logic Primer.. I chose Logic Primer by Colin Allen and Michael Hand for the reason that I taught from it for over a decade at the University of York. One of the interesting things about teaching logic at a university is that no logic teacher at a university is happy with

When an argument is weak in the

Online Library Logic Primer By Allen 2nd Edition

Second way, there is something wrong with the logical form of the argument: Premises of the kind given do not necessarily lead to a conclusion of the kind given. We will be interested primarily in the logical form of arguments. Consider another example: You are reading this book.

Online Library Logic Primer By Allen 2nd Edition

This is a logic book.

An Introduction to Formal Logic -
Textbook Equity

Logic Primer differs from existing texts in several important ways. The proofs are shorter and more elegant. The rules of proof are stated in terms of

Online Library Logic Primer By Allen 2nd Edition

Denials of sentences rather than negations; this results in more intuitive rules that students learn more quickly.
