the embodiment of a community's ability to devise its own functional and symbolic tools, developed in an original self production process starting for the little material available locally.

~~Made in Slums – AA. VV. | Corraini Edizioni~~

This Community Tour aims to uplift the lives of the slum dwellers, by 1) creating a conduit for them to achieve economic empowerment through income generated from these visits and 2) support the emotional well-being of slum dwellers by creating a platform where they can share stories, get encouragement, make new friends, and remove the stigma of HIV. The tour guides are mothers who were born ...
