Maktub não é um livro de conselhos, mas uma troca de experiências. A maior parte dos textos se refere a ensinamentos que Paulo Coelho recebeu de seu mestre ao longo de 11 anos. Outros são relatos de amigos ou pessoas desconhecidas que de uma forma ou de outra lhe deixaram uma mensagem inesquecível.

Paulo Coelho "Maktub" significa "Cosi' e' scritto." Gli Arabi pensano che "Cosi' e' scritto" non sia una buona traduzione, perche', sebbene ogni cosa sia gia' scritta, Dio ha compassione, e ha scritto tutto solo per aiutarci. L'errante e' a New York.

Paulo Coelho, con más de 35 millones de libros vendidos, no es sólo uno de los autores más leídos del mundo, sino también uno de los escritores con mayor influencia ideológica de hoy en día. Lectores de más de 150 países, sin distinción de credos ni culturas, le han convertido en uno de los autores de referencia de nuestro tiempo. Durante varios años Paulo Coelho ha colaborado con el periódico brasileño Folha de S. Paulo escribiendo una columna diaria. Maktub surge como fruto de esta colaboración, ya que se trata de una selección que el autor ha hecho de los artículos que realizó para esta publicación entre junio de 1993 y junio de 1994. En palabras del propio Paulo Coelho, «Maktub no es un libro de consejos, sino un intercambio de experiencias», una excelente ocasión para reflexionar y para reencontrarse con uno mismo.

Non fiction collection of 110 observational columns written for several Brazilian newspapers on a wide range of topics.

Paulo Coelho's essential collection in one sleek boxed set. Includes six classic books: *The Alchemist*, *The Pilgrimage*, *Warrior of the Light*, *The Valkyries*, *Veronika Decides to Die*, and *Eleven Minutes*.

A special 25th anniversary edition of the extraordinary international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, *The Alchemist* has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

From bestselling author and international sensation Paulo Coelho, a novel set in a small village about a young, poor barmaid whose wager with the devil leads to a spiritual transformation. A stranger arrives at the remote village of Viscos, carrying with him a backpack containing a notebook and eleven gold bars. He comes searching for the answer to a question that torments him: Are human beings, in essence, good or evil? In welcoming the mysterious foreigner, the whole village becomes an accomplice to his sophisticated plot, which will forever mark their lives. A novel of temptation, *The Devil and Miss Prym* is a thought-provoking parable of a community devoured by greed, cowardice, and fear—as it struggles with the choice between good and evil.

"I thought that I had already thought about everything you could think about Love when Henry Drummond's sermon fell into my hands. My life changed a lot from the moment I read the words in this book and tried to put his teaching into practice."
"Paulo Coelho" "If I speak in the tongues of men and of angels, but have not love, I am a noisy gong or a clanging cymbal." At some point, all of us have heard this passage from St. Paul's Letter to the Corinthians. But do we really understand his message? At the end of the 19th century, the young missionary Henry Drummond was asked to replace a famous preacher. Though at the beginning he did not convince the audience, they were soon captivated by his analysis of the words of the Apostle Paul. This sermon, *The Greatest Thing in the World*, has become a classic and is, without doubt, one of the most beautiful texts ever written on love. Drummond broke it down into the following nine elements: patience, kindness, generosity, humility, gentleness, dedication, tolerance, sincerity and innocence. Contrary to what we are used to hearing, the greatest treasure in the spiritual life is not faith, but love. No matter what your religious beliefs are, this feeling is, without doubt, the most rewarding way to live. In *The Supreme Gift*, Paulo Coelho adapts Henry Drummond's text, offering a real and powerful message that will help us incorporate love into our daily life and experience all its transformational power

in our lives.

Transform your life. Rewrite your destiny. In his most personal novel to date, internationally best-selling author Paulo Coelho returns with a remarkable journey of self-discovery. Like the main character in his much-beloved *The Alchemist*, Paulo is facing a grave crisis of faith. As he seeks a path of spiritual renewal and growth, he decides to begin again: to travel, to experiment, to reconnect with people and the landscapes around him. Setting off to Africa, and then to Europe and Asia via the Trans-Siberian Railway, he initiates a journey to revitalize his energy and passion. Even so, he never expects to meet Hilal. A gifted young violinist, she is the woman Paulo loved five hundred years before—and the woman he betrayed in an act of cowardice so far-reaching that it prevents him from finding real happiness in this life. Together they will initiate a mystical voyage through time and space, traveling a path that teaches love, forgiveness, and the courage to overcome life's inevitable challenges. Beautiful and inspiring, *Aleph* invites us to consider the meaning of our own personal journeys: Are we where we want to be, doing what we want to do? Some books are read. *Aleph* is lived. This eBook edition includes an excerpt from Paulo Coelho's Manuscript Found in Accra and a Reading Group Guide!

Eleven Minutes is the story of Maria, a young girl from a Brazilian village, whose first innocent brushes with love leave her heartbroken. At a tender age, she becomes convinced that she will never find true love, instead believing that "love is a terrible thing that will make you suffer. . . ." A chance meeting in Rio takes her to Geneva, where she dreams of finding fame and fortune. Maria's despairing view of love is put to the test when she meets a handsome young painter. In this odyssey of self-discovery, Maria has to choose between pursuing a path of darkness -- sexual pleasure for its own sake -- or risking everything to find her own "inner light" and the possibility of sacred sex, sex in the context of love. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.
