"One icy winter's evening in Budapest, a man runs straight into John Taylor as he walks home through the narrow streets. John falls over into the snow and looks up at the man's face. 'I felt very afraid. Because what I saw was me. My face looking down at me. My mouth saying sorry.' Who is the man, and how will John's life change?"

The World Is No Longer Flat Culo is an art, fashion, and pop-culture movement that defies all national, cultural, and linguistic boundaries. No matter if you were raised to call it derriere, tush, rear end, or booty, culo is the new epicenter of female sexuality, desire, and empowerment. Over the past decade, some of the world's most celebrated women have subtly shifted our long-held ideals of physical perfection toward a shape that is more authentic and bold. While culo has long been venerated in certain cultures, it is now becoming the object of worldwide mainstream admiration. This emerging global love affair with culo is as much about the blending of African, Latin, European, and Asian beauty as it is about celebrating the female form's most coveted asset. Culo by Mazzucco pays tribute to this phenomenon through a singular artistic vision. In more than 200 photographs and artworks created on location around the world, a diverse group of women—some already legendary, some about to become so—embody the spirit of culo and the start of a new era of beauty.

This last book in the six-volume series from NEXTmanga combines cutting-edge illustration with fast-paced storytelling to deliver biblical truth to an ever-changing, postmodern culture. More than 10 million books in over 40 different languages have been distributed worldwide in the series.

At sixteen, Betty runs away from the small river town she's always known, to live in Los Angeles with her father, an outrageous used car salesman and avid gambler. It is the first journey in what will be a remarkable life among remarkable people: Betty's first job out of college is as Joan Crawford's nanny, caring for the Crawford children at the height of the star's career. Hollywood is about to play an even larger role in Betty's life when she meets a young ambitious actor named Lee Marvin. After a whirlwind courtship and a trip to Las Vegas, Betty and Lee are married. In this unique memoir, both hilarious and touching, we follow Betty as she creates a family with Lee, and is by his side as he works with Marlon Brando, John Wayne and a host of other stars. She is the penultimate hostess and Hollywood Housewife. Nobody knew what was really going on at home - until, unable to take Lee's womanizing, drinking and abuse, Betty leaves him and strikes out on her own. What follows are adventures that could only be Betty Marvin's; from the building of her career as an artist. To a love affair with an Italian King, to dire straits as investment con artists leave Betty suddenly homeless. After years of the Hollywood life, Betty is left with only her car, her dog and her typewriter. Forced to employ all of her skills to survive, she comes out on top. This is the story of a woman who finds the real riches that come with learning the value of a joyful life.

During her ordeal with the Sect, Estelle Bailey dreamt of escaping back into the arms of the sea-and Azariah. But freedom came at a price, and though she's back with the Sachael who's stolen her heart, she's also land-bound until the next full moon. And with the threat of Orontes looming ever larger behind them, Azariah, Estelle, and Michael-her once-captor turned rescuer and friend-are on the run. Following Michael's lead, they seek sanctuary amidst the natural beauty of the Orkney and Shetland Islands until Estelle can complete her next submergence ritual and Azariah can whisk her away to the safety of Saicean. Secrets, betrayals, and old enemies await them, though, and as events spiral out of control, Azariah makes a decision that puts all their lives at risk, forcing Estelle to face a journey she never wanted to take. With time running out and tempers running high, her only hope to save the man she loves lies in a reconciliation between two kingdoms who despise each other. Book Two in the Mine Series, Sachael Desires further expands on the intricate underwater world of the Sachaels, and the hostility and isolation of not belonging. "
