Moonwalk Story By Ben Bova

This is the story of the early development of the new frontier on the moon, bound up by the lives of a far knit family. Tedious in places, but worth the read. Along with the story of development on the lunar surface, is the story of the triumph of fanaticism in the world. On the moon there is hope, on the earth despair.

Moonrise (The Grand Tour, #5; Moonbase Saga, #1) by Ben Bova

Ben Bova, author of Earth, continues his exploration of the future of a human-settled Solar System with the science fiction action adventure Uranus, the first of his Outer Planets trilogy. On a privately financed orbital habitat above the planet Uranus, political idealism conflicts with pragmatic, and illegal, methods of financing.
