I Am Legend: Book 1 - fireflybookstore.com

The year is 1976—one year after a deadly plague sweeps the world, killing virtually all human beings. After their deaths, the world's human beings rise from the grave and become vampires: sensitive to light, garlic, and mirrors, dormant during the day, and impervious to bullets. In the city of Los Angeles, a man named Robert Neville has managed to survive by converting his house into a ...

I Am Legend by Richard Matheson Plot Summary | LitCharts

Richard Matheson's I Am Legend is a science fiction adventure and a terrifying horror story. But unlike most works of horror, I Am Legend is not a black-and-white tale of "us versus them"; in other words, a story in which a hero fights off a monstrous villain.

I Am Legend Themes | LitCharts

Richard Burton Matheson (February 20, 1926 – June 23, 2013) was an American author and screenwriter, primarily in the fantasy, horror, and science fiction genres.. He is best known as the author of I Am Legend, a 1954 science fiction horror novel that has been adapted for the screen three times, the first of which, The Last Man on Earth, was co-scripted by him and starred Vincent Price.

Richard Matheson - Wikipedia

Born in Allendale, New Jersey to Norwegian immigrant parents, Matheson was raised in Brooklyn and graduated from Brooklyn Technical High School in 1943. He then entered the military and spent World War II as an infantry soldier. In 1949 he earned his bachelor's degree in journalism from the University of Missouri and moved to California in 1951.

A special pocket-sized hardcover edition of the New York Times bestselling classic tale of the last man on Earth, *I Am Legend* by Richard Matheson--one of genre literature's most honored storytellers. Robert Neville is the last living man on Earth...but he is not alone. Every other man, woman, and child on Earth has become a vampire, and they are all hungry for Neville's blood. By day, he is the hunter, stalking the sleeping undead through the abandoned ruins of civilization. By night, he barricades himself in his home and prays for dawn. How long can one man survive in a world of vampires?

A lone human survivor in a world that is overrun by vampires, Robert Neville leads a desperate life in which he must barricade himself in his home every night and hunt down the starving undead by day. Reissue. 100,000 first printing. (A Warner Bros. film, releasing December 2007, directed by Francis Lawrence, starring Will Smith). (Horror)

Robert Neville is the last living man on earth ... but he is not alone. Every other man, woman and child on the planet has become a vampire, and they are all hungry for Neville's blood. By day he is the hunter, stalking the sleeping undead through the abandoned ruins of civilization. By night, he barricades himself in his home and prays for the dawn. How long can one man survive like this?

Richard Matheson's classic novel of fear and vampirism - the tale of the last human on an Earth overrun by the undead - returns to graphic novel format in a single volume collection of four long out-of-print books.

A lone human survivor in a world that is overrun by vampires, Robert Neville leads a desperate life in which he must barricade himself in his home every night and hunt down the starving undead by day.

"Richard Matheson's 1954 novel *I Am Legend* has spawned a series of horror and science fiction films. This reexamination of Matheson's novel situates the tale of one man's attitude about killing racialized "others" within its original post-World War II context. The author analyzes several film adaptations, with a focus on the casting and interpretations protagonist Robert Neville"--

Richard Matheson's 1954 novel *I Am Legend* has spawned a series of iconic horror and science fiction films, including *The Last Man on Earth* (1964), *The Omega Man* (1971) and *I Am Legend* (2007). The compelling narrative of the last man on earth, struggling to survive a pandemic that has transformed the rest of humanity into monsters, has become an American myth. While the core story remains intact, filmmakers have transformed the details over time, reflecting changing attitudes about race and masculinity. This reexamination of Matheson's novel situates the tale of one man's conflicted attitude about killing racialized "others" within its original post-World War II context, engaging the question of post-traumatic stress disorder. The author analyzes the several film adaptations, with a focus on the casting and interpretations of protagonist Robert Neville.

Reproductions of scripts and screenplays, short stories, and a novel, along with introductions, photos, cast, and credits.

The author of *I Am Legend* transforms a lonely mansion into a madhouse where a group must face grisly tricks, shocking twists, and the mind of a killer. In *Now You See It*, the prolific master of suspense and horror delivers a knock-out tale the likes of which have not been seen since Henry Clouzot's devilish thriller *Diabolique*. Some years ago, the Great Delacorte, a famed stage magician, came down with a stroke that left him in a vegetative state, able to move only his eyes. The entire action of the novel is witnessed through these eyes as Delacorte sits in the Magic Room of his country estate, a room custom-tailored to display stage illusions. Delacorte's son, Max, has taken his name and place as an illusionist in every effort to replace his father. Max is supported by his wife Cassandra and her amazingly identical lookalike younger brother Brian. But for the past year, Cassandra has been poisoning Max's food with arsenic and a sleeping pill. She wants the act all for herself—but Max has his own ideas, and his revenge is the big dish that Matheson sets before us in this dazzler that offers top-flight fun! Praise for *Now You See It* "One of his strongest efforts.... We're all a lot richer to have Richard Matheson among us."?Dean Koontz "A fascinating variation on the locked-room mystery...with more hairpin turns than a mountain road. *Now You See It*...is absorbing."?The Washington Post Book World "There are as many twists and turns as a medieval catacomb in one of the most fun novels of the

year.”?Rocky Mountain News “Matheson’s prose is extremely smooth and the pacing frantic.”?The Philadelphia Inquirer

The definitive collection of terrifying stories by "one of the greatest writers of the 20th century" (Ray Bradbury), edited by award-winning author Victor LaValle Among the greats of 20th-century horror and fantasy, few names stand above Richard Matheson. Though known by many for novels like *I Am Legend* and his sixteen *Twilight Zone* episodes, Matheson truly shines in his chilling, masterful short stories. Since his first story appeared in 1950, virtually every major writer of science fiction, horror, and fantasy has fallen under his influence, including Stephen King, Neil Gaiman, Peter Straub, and Joe Hill, as well as filmmakers like Stephen Spielberg and J.J. Abrams. Matheson revolutionized horror by taking it out of Gothic castles and strange cosmos and setting it in the darkened streets and suburbs we recognize as our own. He infused tales of the fantastic and supernatural with dark explorations of human nature, delving deep into the universal dread of feeling alone and threatened in a dangerous world. *The Best of Richard Matheson* brings together his greatest hits as chosen by Victor LaValle, an expert on horror fiction and one of its brightest talents, marking the first major overview of Matheson's legendary career. "[Matheson is] the author who influenced me most as a writer." -Stephen King "Richard Matheson's ironic and iconic imagination created seminal science-fiction stories . . . For me, he is in the same category as Bradbury and Asimov." -Steven Spielberg "He was a giant, and YOU KNOW HIS STORIES, even if you think you don't." -Neil Gaiman For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
