[This text] is designed to develop effective reading and clear thinking. [It] begins with basic matters: having the right attitude, learning key study skills, and developing a reading habit. [It] consists of ten additional readings that will help improve both reading and thinking skills. [It also] consists of twelve combined-skills tests. The tests provide a review of the comprehension skills [to] prepare students for the standardized reading exam that is often a requirement at the end of a semester. -Pref. to the instructor.

The Advanced Reading-Writing Connection will help you become a more effective reader and writer. You will learn, in a nutshell, that good readers (1) recognize a main point and (2) recognize the support for that point, and that good writers (1) make a point and (2) support the point.
