Try Not to Breathe, the debut novel of British author Holly Seddon, is an excellent psychological tale of suspense. It follows the story of Alex Dale, a disgraced journalist who is struggling to regain not only her respectability, but also her life, which she essentially lost to the ravages of the bottle.

~~Amazon.com: Customer reviews: Try Not to Breathe: A Novel~~

Try Not to Breathe was a really great read. I was very interested in this one when I heard about it, since I had liked her debut, The Secret Year. Try Not to Breathe was a really touching read that was just a really great book and I am happy to have read it. I really loved the characters. Val, Jake, Nikki, they were all just great.
